# ECONOMICS

UG Semester - 6 [ MTC - 10 ]

## INTERNATIONAL ECONOMICS

### Objectives of Asian Development Bank

- 3 To help the regional members in the coordination of their plans and policies for economic development to enable them to achieve a better utilisation of their resources.
- 3 To provide technical assistance for the preparation, financing and implementation of projects and programmes for economic development including the formulation of specific projects.
- 3 To co-operate with the United Nations and its organs and subsidiaries including, in particular, the ECAFE and other international institutions and organisations and national entities in the investment of development funds in the region.
- 3 To undertake all such activities and provide such services which may fulfill the above objectives.

## Its Membership

The membership of ADB is open to the following :-

- ① Members of the ECAFE
- ② associate members of ECAFE
- ③ other countries of ECAFE region which are the members of the UN or any of its specialised agencies.
- ④ developed countries outside the ECAFE region which are the members of the UN or any of its specialised agencies.

It has a membership of 56 countries at present. Any country can become its member when two-third members of the Board of Governors can cast their vote in its favour.

## Its Management
